

Above, Below, and Beyond

HELLO, FAMILY!

Over the next three weeks, our class will build their knowledge about exploration, with a focus on the autobiography genre. We will read texts and view videos about important discoveries people have made on land, in the oceans, and in space. Children will also write an expository essay that explains how curiosity encourages exploration.

BRING IT HOME! Learning fun for the whole family!

Discuss the Topic

Set aside time daily for your child to share with you what he or she is learning. Use these ideas to help build your child's knowledge about the topic:

- Talk about the ideas your child has added to the Knowledge Map each week.
- Ask about the texts your child is reading and what he or she has learned from them.
- Share with your child your own questions about the topic, and work together to find the answers.

Explore the Genre

The genre focus in this module is autobiography. Discuss with your child the characteristics of this genre.

Ask your child to read to you each day and make time to read together.

Look for texts that

- spark your child's curiosity
- tie to the module topic
- provide first-person accounts of interesting discoveries
- describe a clear sequence of events and have unique visuals

Build Vocabulary

Use these ideas to help your child build a rich vocabulary.

The Big Idea Reinforce the topic words *expedition*, *incredible*, *progress*, and *chronology* in everyday conversations with your child. Use prompts like these: Where would you like to go on an **expedition**? Describe something **incredible** in nature.

What Does It Mean? Have your child keep a growing list of the Critical Vocabulary words. Quiz each other on their meanings.

Word Hunt Look for words with the roots *tract*, *chrono*, *gress*, *ped*, *dent*, *terr* and prefixes *mega-*, *sub-*, *pro-*, *anti-* in books, magazines, online texts, and environmental print.
